

MUFG Sustainability Report 2020

## **Editorial Policy**

MUFG published the MUFG Sustainability Report 2020 to improve understanding on the company's commitment to sustainability, in order to achieve a sustainable environment and society and to help the group achieve sustainable growth. For all of our stakeholders, we explain the sustainability initiatives we implement throughout our operations based on MUFG's Corporate Vision and Code of Conduct, using policies, systems,

targets, and results as the foundation. In publishing the report, we consider both the importance to society and the importance to MUFG, with reference to the GRI Standards and the UN Global Compact.

Please refer to our website, along with the MUFG Report 2020 (JGAAP) for more information on our sustainable value creation mechanism and detailed financial data.
