(劣後特約)

The indebtedness evidenced by the Subordinated Notes, including the principal of, premium, if any, and interest on such Subordinated Notes, will be unsecured and subordinate and junior in right of payment to the Bank's obligations to its depositors, its obligations under banker's acceptances, letters of credit and senior notes, and its obligations to its other creditors (including its obligations to any Federal Reserve Bank, the Federal Deposit Insurance Corporation (the "FDIC") and any rights acquired by the FDIC as a result of loans made by the FDIC to the Bank or the purchase or guarantee of any of its assets by the FDIC pursuant to the provisions of 12 U.S.C. Section 1823(c), (d) or (e)), whether now outstanding or hereafter incurred, other than any obligations which by their express terms rank on a parity with, or junior to, such Subordinated Notes. In the event of any insolvency, receivership, conservatorship, reorganization, readjustment of debt, marshaling of assets and liabilities or similar proceedings or any liquidation or winding up of or relating to the Bank, whether voluntary or involuntary, all such obligations (except obligations which rank on a parity with, or junior to, the Subordinated Notes) shall be entitled to be paid in full before any payment shall be made on account of the principal of, premium, if any, or interest on such Subordinated Notes. In the event of any such proceedings, after payment in full of all sums owing on such prior obligations, the holders of the Subordinated Notes, together with the holders of any obligations of the Bank ranking on a parity with such Subordinated Notes, shall be entitled to be paid from the remaining assets of the Bank, the unpaid principal of, premium, if any, and interest on such Subordinated Notes or such other obligations before any payment or other distribution, whether in cash, property, or otherwise, shall be made on account of any capital stock or any obligations of the Bank ranking junior to such Subordinated Notes. The Subordinated Notes will not contain any limitation on the amount of senior debt, deposits or other obligations which rank on a parity with or senior to the Subordinated Notes that may be hereafter incurred by the Bank. The Subordinated Notes will be ineligible as collateral to secure a loan from the Bank.

(期限の利益喪失に関する特約)

An “Event of Default” with respect to a Subordinated Note will occur only if the Bank shall consent to, or a court or governmental agency or authority shall enter a decree or order for, the appointment of a receiver or other similar official (other than a conservator) in any liquidation, insolvency or similar proceeding with respect to the Bank or all or substantially all of its property and, in the case of a decree or order, such decree or order shall have remained in force for a period of 60 calendar days.

(注記：以下において、「the Company」とは Trust Preferred 証券の元利払いを最終的に担保することにより、当該証券による調達を自己資本比率に算入している銀行乃至銀行持株会社を指します。)

(配当支払に関する特約)

So long as no Event of Default has occurred and is continuing, the Company shall have the right, at any time and from time to time during the term of this security, to defer the payment of interest on this security for a period of up to twenty (20) consecutive quarterly interest payment periods (each such period, an "Extension Period"), during which Extension Period(s), no interest shall be due and payable (except any additional tax sums that otherwise may be due and payable). No Extension Period shall end on a date other than an interest payment date, and no Extension Period shall extend beyond the stated maturity of the principal of this security. No interest shall be due and payable during an Extension Period, except at the end thereof, but each installment of interest that would otherwise have been due and payable during such Extension Period shall bear additional interest (to the extent payment of such interest would be legally enforceable) at an annual rate equal to the interest rate applicable during such Extension Period, compounded quarterly, from the dates on which amounts would have otherwise been due and payable until paid or made available for payment. At the end of any such Extension Period, the Company shall pay all interest then accrued and unpaid on this security, together with such additional interest.

During any such Extension Period, the Company shall not (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire or make a liquidation payment with respect to, any of the Company's capital stock or (ii) make any payment of principal of or any interest or premium on or repay, repurchase or redeem any debt securities of the Company that rank *pari passu* in all respects with or junior in interest to this security.

"Event of Default" means, wherever used herein with respect to the security, any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment of any interest upon any security, including any additional interest in respect thereof, when it becomes due and payable, and continuance of such default for a period of thirty (30) days (subject to the deferral of any due date in the case of an Extension Period); or

(b) default in the payment of the principal of or any premium on any security at its maturity; or

(c) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture and continuance of such default or breach for a period of thirty (30) days after there has been given, by registered or certified mail, to the Company by the trustee or to the Company and the trustee by the holders of at least twenty five percent (25%) in aggregate principal amount of the outstanding security a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder;

(d) the entry by a court having jurisdiction in the premises of a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of sixty (60) consecutive days; or

(e) the institution by the Company of proceedings to be adjudicated a bankrupt or insolvent, or the consent by the Company to the institution of bankruptcy or insolvency proceedings against it, or the filing by the Company of a petition or answer or consent seeking reorganization or relief under any applicable Federal or state bankruptcy, insolvency, reorganization or other similar law, or the consent by it to the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due and its willingness to be adjudicated a bankrupt or insolvent, or the taking of corporate action by the Company in furtherance of any such action.

(f) the trust shall have voluntarily or involuntarily liquidated, dissolved, wound-up its business or otherwise terminated its existence, except in connection with (1) the distribution of the security to holders of the preferred securities in liquidation of their interests in the trust, (2) the redemption of all of the outstanding preferred securities or (3) certain mergers, consolidations or amalgamations, each as and to the extent permitted by the trust agreement.

(劣後特約及び弁済の条件)

The indebtedness evidenced by this security is subordinate and junior in right of payment to the prior payment in full of all senior debt, and this security is issued subject to the provisions hereunder.

(a) In the event and during the continuation of any default by the Company in the payment of any principal of or any premium or interest on any senior debt (following any grace period, if applicable) when the same becomes due and payable, whether at maturity or at a date fixed for prepayment or by declaration of acceleration or otherwise, then, upon written notice of such default to the Company by the holders of such senior debt or any trustee therefor, unless and until such default shall have been cured or waived or shall have ceased to exist, no direct or indirect payment (in cash, property, securities, by set-off or otherwise) shall be made or agreed to be made on account of the principal of or any premium or interest (including any additional interest) on the security, or in respect of any redemption, repayment, retirement, purchase or other acquisition of the security.

(b) In the event of a bankruptcy, insolvency or other proceeding described in clause (d) or (e) of the

definition of Event of Default (each such event, if any, herein sometimes referred to as a "*Proceeding*"), all senior debt (including any interest thereon accruing after the commencement of any such proceedings) shall first be paid in full before any payment or distribution, whether in cash, securities or other property, shall be made to any holder of the security on account thereof. Any payment or distribution, whether in cash, securities or other property (other than securities of the Company or any other entity provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the security, to the payment of all senior debt at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment), which would otherwise (but for these subordination provisions) be payable or deliverable in respect of the security shall be paid or delivered directly to the holders of senior debt in accordance with the priorities then existing among such holders until all senior debt (including any interest thereon accruing after the commencement of any Proceeding) shall have been paid in full.

(c) In the event of any Proceeding, after payment in full of all sums owing with respect to senior debt, the holders of the security, together with the holders of any obligations of the Company ranking on a parity with the security, shall be entitled to be paid from the remaining assets of the Company the amounts at the time due and owing on account of unpaid principal of and any premium and interest (including any additional interest) on the security and such other obligations before any payment or other distribution, whether in cash, property or otherwise, shall be made on account of any capital stock or any obligations of the Company ranking junior to the security and such other obligations. If, notwithstanding the foregoing, any payment or distribution of any character or any security, whether in cash, securities or other property (other than securities of the Company or any other entity provided for by a plan of reorganization or readjustment the payment of which is subordinate, at least to the extent provided in these subordination provisions with respect to the indebtedness evidenced by the security, to the payment of all senior debt at the time outstanding and to any securities issued in respect thereof under any such plan of reorganization or readjustment) shall be received by the trustee or any holder in contravention of any of the terms hereof and before all senior debt shall have been paid in full, such payment or distribution or security shall be received in trust for the benefit of, and shall be paid over or delivered and transferred to, the holders of the senior debt at the time outstanding in accordance with the priorities then existing among such holders for application to the payment of all senior debt remaining unpaid, to the extent necessary to pay all such senior debt (including any interest thereon accruing after the commencement of any Proceeding) in full. In the event of the failure of the trustee or any holder to endorse or assign any such payment, distribution or security, each holder of senior debt is hereby irrevocably authorized to endorse or assign the same.

(配当支払に関する特約)

So long as no Event of Default has occurred and is continuing, the Company shall have the right, from time to time, and without causing an Event of Default, to defer payments of interest on the security by extending the interest payment period on the security at any time and from time to time during the term of the security, for up to 20 consecutive quarterly periods (each such extended interest payment period, an “Extension Period”), during which Extension Period no interest (including

additional interest) shall be due and payable (except any additional sums that may be due and payable). No Extension Period may end on a date other than an interest payment date. During an Extension Period, interest will continue to accrue on the security, and interest on such accrued interest will accrue at an annual rate equal to the interest rate in effect for such Extension Period, compounded quarterly from the date such interest would have been payable were it not for the Extension Period, to the extent permitted by law (such interest referred to herein as “Additional Interest”). At the end of any such Extension Period the Company shall pay all interest then accrued and unpaid on the security (together with Additional Interest thereon); provided, however, that no Extension Period may extend beyond the maturity date; provided further, however, that during any such Extension Period, the Company shall not and shall not permit any affiliate to (i) declare or pay any dividends or distributions on, or redeem, purchase, acquire, or make a liquidation payment with respect to, any of the Company’s or such affiliate’s capital stock (other than payments of dividends or distributions to the Company) or make any guarantee payments with respect to the foregoing or (ii) make any payment of principal of or interest or premium, if any, on or repay, repurchase or redeem any debt securities of the Company or any affiliate that rank *pari passu* in all respects with or junior in interest to the security (other than, with respect to clauses (i) or (ii) above, (a) repurchases, redemptions or other acquisitions of shares of capital stock of the Company in connection with any employment contract, benefit plan or other similar arrangement with or for the benefit of one or more employees, officers, directors or consultants, in connection with (以下省略)

“Event of Default,” wherever used herein, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

- (a) the Company defaults in the payment of any interest upon any security, including any Additional Interest in respect thereof, following the nonpayment of any such interest for twenty or more consecutive distribution periods; or
- (b) the Company defaults in the payment of all or any part of the principal of (or premium, if any, on) any security as and when the same shall become due and payable either at maturity, upon redemption, by declaration of acceleration or otherwise; or
- (c) the Company defaults in the performance of, or breaches, any of its covenants or agreements in this Indenture or in the terms of the security established as contemplated in this Indenture (other than a covenant or agreement a default in whose performance or whose breach is elsewhere in this section specifically dealt with), and continuance of such default or breach for a period of 60 days after there has been given, by registered or certified mail, to the Company by the trustee or to the Company and the trustee by the holders of at least 25% in aggregate principal amount of the outstanding security, a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “Notice of Default” hereunder; or
- (d) a court of competent jurisdiction shall enter a decree or order for relief in respect of the Company in an involuntary case under any applicable bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect, or appointing a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Company or for any substantial part of its property, or ordering the winding-up or liquidation of its affairs and such decree or order shall remain unstayed and in effect for a period of 90 consecutive days; or
- (e) the Company shall commence a voluntary case under any applicable bankruptcy, insolvency, reorganization or other similar law now or hereafter in effect, shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or other similar official) of the Company or of any substantial part of its property, or shall make any general assignment for the benefit of creditors, or shall fail generally to pay its debts as they become due; or
- (f) the trust shall have voluntarily or involuntarily liquidated, dissolved, wound-up its business

or otherwise terminated its existence except in connection with (i) the distribution of the security to holders of such trust securities in liquidation of their interests in the trust, (ii) the redemption of all of the outstanding trust securities or (iii) certain mergers, consolidations or amalgamations, each as permitted by the declaration.

(劣後特約及び弁済の条件)

The payment by the Company of the principal of, and premium, if any, and interest on this security shall, to the extent and in the manner hereinafter set forth, be subordinated and junior in right of payment to the prior payment in full of all senior indebtedness of the Company, whether outstanding at the date of this Indenture or thereafter incurred.

In the event and during the continuation of any default by the Company in the payment of principal, premium, interest or any other payment due on any senior indebtedness of the Company following any grace period, or in the event that the maturity of any senior indebtedness of the Company has been accelerated because of a default and such acceleration has not been rescinded or canceled and such senior indebtedness has not been paid in full, then, in either case, no payment shall be made by the Company with respect to the principal (including redemption) of, or premium, if any, or interest on the security.

Upon any payment by the Company or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution or winding-up or liquidation or reorganization of the Company, whether voluntary or involuntary or in bankruptcy, insolvency, receivership or other proceedings, all amounts due upon all senior indebtedness of the Company shall first be paid in full, or payment thereof provided for in money in accordance with its terms, before any payment is made by the Company, on account of the principal (and premium, if any) or interest on the security. Upon any such dissolution or winding-up or liquidation or reorganization, any payment by the Company, or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to which the security holders or the trustee would be entitled to receive from the Company, except for the provisions of this Article, shall be paid by the Company, or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other person making such payment or distribution, or by the security holders or by the trustee under this Indenture if received by them or it, directly to the holders of senior indebtedness (*pro rata* to such holders on the basis of the respective amounts of senior indebtedness held by such holders, as calculated by the Company) or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such senior indebtedness may have been issued, as their respective interests may appear, to the extent necessary to pay such senior indebtedness in full, in money or money's worth, after giving effect to any concurrent payment or distribution to or for the holders of such senior indebtedness, before any payment or distribution is made to the security holders or to the trustee.

In the event that, notwithstanding the foregoing, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, prohibited by the foregoing, shall be received by the trustee before all senior indebtedness is paid in full, or provision is made for such payment in money in accordance with its terms, such payment or distribution shall be held in trust for the benefit of and shall be paid over or delivered to the holders of such senior indebtedness or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing such senior indebtedness may have been issued, as their respective interests may appear, as calculated by the Company, for application to the payment of all senior indebtedness, remaining unpaid to the extent necessary to pay such senior indebtedness in full in money in accordance with its terms, after giving effect to any concurrent payment or distribution to or for the benefit of the holders of such senior indebtedness.
