

Execution of Stock Transfer Agreement Concerning Transfer of NBL Co., Ltd.

Tokyo, October 29, 2012 --- The Bank of Tokyo-Mitsubishi UFJ, Ltd. (BTMU), a subsidiary of Mitsubishi UFJ Financial Group, Inc. (MUFG), and Hitachi Capital Corporation (Hitachi Capital) agreed that BTMU will transfer* 12,000,000 shares in NBL Co., Ltd. (60% of all issued shares) to Hitachi Capital, and the said parties entered into a stock transfer agreement.

*The share transfer and payment of the purchase price are scheduled to take place on April 1, 2013, subject to the approval of the competent authorities.

1. Reason for Stock Transfer

Pursuant to the “Capital Alliance Between Hitachi Capital Corporation and NBL Co., Ltd.” that was announced on July 28, 2011, BTMU transferred 40% of all issued shares in NBL to Hitachi Capital on October 31, 2011.

Subsequently, as a result of numerous consultations between MUFG and BTMU concerning growth strategies for NBL going forward, it was concluded that the partnering with Hitachi Capital, a leading company in the vendor leasing industry* with excellent vendor leasing business knowhow and a strong customer base, would contribute to the long-term growth and development of NBL.

*Vendor lease: Lease agreements to be entered into with customers by lease companies through customer mediation or representative services for office procedures by dealers who are in alliance relationships with lease companies via entering into dealership agreements with lease companies or in any other manners.
