

**Notice concerning Partial Amendment to the Articles of Incorporation**

**Tokyo, May 15, 2013** --- Mitsubishi UFJ Financial Group, Inc. (MUFG) resolved, at a meeting of the Board of Directors held today, to submit a proposal for partial amendment to the Articles of Incorporation of MUFG, as stated below, at the 8th Annual General Meeting of Shareholders to be held on June 27, 2013 and each of the general meetings of holders of class shares to be held on June 27, 2013.

1. Reasons for Amendments

- (1) The capital adequacy requirements (“Basel III”), pursuant to a new financial regulatory framework established by the “Basel Committee on Banking Supervision,” an institution comprised of financial regulators from various major industrialized countries, etc., was introduced in Japan at the end of March 2013 and eligibility criteria in order for preferred shares and subordinated debt, among other things, to be included as regulatory capital has become stricter. Specifically, the terms and conditions of preferred shares and subordinated debt, etc. are required to have the following provision: in the case where a write-off or a conversion into ordinary shares of the relevant instruments (the “Write-off, etc.”) or financial support or other similar measure taken by a public sector, without which the firm would become non-viable, is determined to be necessary, the Write-off, etc. shall be effected. In order for the flexible issuance of preferred shares that meet the above requirement in the future, MUFG will change the terms of each class of preferred shares currently authorized to be issued (Article 20 of the Proposed Amendments).

MUFG has no plan to issue any particular series of the preferred shares at this time.

- (2) The following amendments will be made with respect to Class 3 Preferred Shares, all of which have already been cancelled.
- (i) The aggregate number of shares authorized to be issued by MUFG will be decreased, and the aggregate number of Class 3 Preferred Shares authorized to be issued will be deleted (Article 6 of the Proposed Amendments).
- (ii) The descriptions with respect to Class 3 Preferred Shares in the provisions concerning preferred dividends, preferred interim dividends, distribution of residual assets and provisions for acquisition will be deleted (Articles 13, 14, 15 and 18 of the Proposed Amendments).

- (3) In order to enable flexible convocation of general meetings of holders of class shares, a record date with respect to general meetings of holders of class shares will be established (Article 10 of the Proposed Amendments).
