#### Notice concerning Partial Amendment to the Articles of Incorporation

**Tokyo, May 15, 2015** --- Mitsubishi UFJ Financial Group, Inc. (MUFG) resolved, at a meeting of the Board of Directors held today, to submit a proposal for partial amendment to the Articles of Incorporation of MUFG, as stated below, at the 10th Annual General Meeting of Shareholders to be held on June 25, 2015.

- 1. Reasons for Amendments
- (1) As MUFG evolves and undergoes reform as a global financial group, it will become a company with three committees in order to separate executive and oversight functions, strengthen its Board of Directors' oversight functions and further improve its corporate governance structure. Accordingly, changes are required to its Articles of Incorporation, including additional provisions related to each committee and executive officers, and the removal of provisions related to corporate auditors and the Board of Corporate Auditors. Among the planned amendments to the Articles of Incorporation, each corporate auditor has given their consent for the change in provisions (Article 40 of the Proposed Amendments) permitting the exemption of responsibilities of executive officers within codified limits.
- (2) The following amendments will be made with respect to the First Series of Class 5 and Class 11 Preferred Shares, all of which have already been cancelled.
  - (i) The aggregate number of shares authorized to be issued by MUFG will be decreased, and the aggregate number of the First Series of Class 5 and Class 11 Preferred Shares authorized to be issued will be deleted.
  - (ii) The descriptions with respect to the First Series of Class 5 and Class 11 Preferred Shares in the provisions concerning preferred dividends, preferred interim dividends and distribution of residual assets will be deleted. Provisions for acquisitions of the First Series of Class 5 Preferred Shares will be deleted. Provisions for acquisition rights and conversion of First Series of Class 11 Preferred Shares will be deleted.
- (3) Due to the Act to Amend the Corporate Law (Act No. 90 of 2014) taking effect on May 1, 2015, changing the range of corporate officers who can conclude liability limitation contracts, provisions (Article 34 of the Proposed Amendments) will be changed to ensure that Directors who do not execute business but will be newly enabled to conclude liability limitation contracts will be able to fully carry out their expected duties.
- (4) Changes will be made to provisions for the preceding and other items.

#### 2. Details of Amendments

The details of amendments are as shown in the attached document.
