Mr. Takayoshi Futae, MUFG Bank's Regional Executive for Asia said:

"The successful completion of Step 2 of this strategic partnership between MUFG Bank and Danamon is an important milestone and adds momentum to our ongoing efforts at exploring synergies together. We have been having a number of insightful and productive discussions with Danamon since coming onboard as a partner in December and are convinced that there will be many areas of business collaboration that we can work on together. More importantly, the conclusion of Step 2 gives us further encouragement that MUFG Bank's commitment to contribute to the Indonesian economy is well-received by our stakeholders and regulators, and we are extremely honoured and thankful for their confidence and support."

"As MUFG Bank commemorates its 50th anniversary in Indonesia this year, it is also renewing efforts to better align its global network to client requirements, and we look forward to harmonising MUFG Bank and Danamon's capabilities to present a more integrated and unparalleled suite of business solutions to customers in the country."
