2. Reason

MUFG continuously seeks to improve shareholder returns, focusing on dividends in pursuit of an optimal balance between solid equity capital and strategic growth investment. Regarding dividends, MUFG aims for a stable and sustainable increase in dividend per share through profit growth. In line with its Medium-Term Business Plan, MUFG will maintain a disciplined approach to capital management with a target dividend payout ratio of approximately 40%.

Based on these policies, MUFG has decided to raise its year-end dividend to ¥51.00 per share, as profits attributable to owners of parent for the fiscal year ended March 31, 2026 exceeded the target, reaching ¥2,427.2bn. As a result, the annual dividend for the fiscal year ended March 31, 2026 will be ¥86.00 per share.
