

Official LinkedIn Account Community Guidelines

1. Introduction

It is the LinkedIn official account operated by Mitsubishi UFJ Financial Group (hereinafter “the Group”).

 <https://www.linkedin.com/company/3795888/>

2. Guidelines

The Guidelines shall apply to all users who use the Account, and all users who use the Account are deemed to have agreed to the Guidelines.

The Guidelines are subject to change without notice. Upon a change, please refer to the latest guidelines provided in the revised edition. The revised guidelines shall apply also to the information posted before the revision of the Guidelines (including comments, etc. from users).

3. Information Posted on the Account by the Group

The information posted on the Account by the Group is intended mainly to provide information of campaigns and other matters, not to provide investment advice, recommendation, and solicitation. Please use your own judgment when applying for investments, etc.

Furthermore, the Group shall not guarantee or covenant the accuracy and completeness of the information, and may change or abolish the content without notice. Please note in advance that the Group is not liable for errors and omissions in the information.

The information on the Account does not necessarily represent the official announcement or view of the Group. The Group’s official announcement and view shall be released via the [corporate website](#).

The information on the Account is as of the time of release. Please refer to the Group’s corporate website and news releases for the latest information. Links to third party websites being shared on the Account are intended merely to provide additional information, and it does not mean that the Group supports, approves, or agrees to contents of the link destination.

4. Intellectual Property Rights

The copyrights in this account such as uploaded contents, corporate logos/marks, trademark, pictorial image and etc. shall be owned by the copyright holder and are protected by intellectual property right law (including but not limited to copyright, design right, patent right, utility model right, trademark right, know-hows). Users, without the permission of the right holder, may not use any information provided through the official account beyond the scope not subject to the Copyright Act such as the reproduction for private use which is permitted by the Copyright Act. In addition, any use of information for commercial purposes is prohibited.

Uploaded contents to this account by users shall not have confidentiality and reserved rights. Users shall permit the Group to utilize relevant contents non-exclusively (including elaboration, extraction, replication, publication, translation, and etc.). Also, users shall not exercise the intellectual property rights such as copyright, moral right, etc. to the Group regarding those contents.

If any problem arises between a user and a right holder or third party as a result of the violation of this article, the user shall resolve the problem on its own responsibility and expense.

5. Comments, etc. to the Account

The Group shall not reply to comments, etc. posted by users on the Account, in principle.

The user who posted comments, etc. on the Account shall be responsible for them, and the Group shall not assume any responsibility. In addition, comments, etc. from users are not supported or approved by the Group, and do not represent the view of the Group.

It is considered that a user who followed the Account or posted comments, etc. permitted the Group to access the information which the user releases on the SNS.

The Group shall accept comments, etc. posted on the Account as opinions. However please note in advance that the matters related to the following may be subject to deletion, user block, etc.

- Any post which slanders the sales, financial products, etc. of the Group or third parties, or which has no ground
- Any post which infringes the copyright, portrait rights, and intellectual property rights of the Group or third parties
- Personal information and transaction information including the information of a user itself, which should not be opened to the public
- Any post which offends laws or public order and morals
- Any post which pretends to be other user or a third party, etc.
- Any post which is not related to the intent of the Account
- Any other post which is determined as inappropriate by the Group

6. Personal Information

The Group will never ask the account number, transaction information, etc. to a user on the Account.

Please refer to "[Personal Information Protection Policy](#)" for detail.

7. Other matters

The Group, at its own discretion, may suspend the information distribution through the Account without notice, and may close the Account.

The Account is operated by the systems of each SNS operating company. The Group shall never reply to inquiries about the system operation status, functions and usage of the software and application of each SNS company, and other technical inquiries. In addition, the Group shall not guarantee the functions and safety of the Account.

The Group shall assume no responsibility for any loss resulting from the use of the Account or suspension of the use.

The Guidelines shall be governed by the laws of Japan. The Tokyo District Court shall have exclusive primary jurisdiction with respect to any dispute arising between a user and the Group in connection with the use of the Account and associated services.
